The screenshot shows the 'ZALVICA AI SERVICE INTAKE FORM'. At the top, there's a navigation bar with 'ZALVICA AI' logo, 'FAQ', 'Help', and 'Back to Zalvica'. The main heading is 'ZALVICA AI SERVICE INTAKE FORM' with a 'show hints' link. On the left, an 'ACCOUNT' sidebar shows 'LOGGED IN AS Test' and a 'Log out' button. Below it, an 'INTAKE OVERVIEW' section contains the title 'ZALVICA AI INTAKE FORM' and a paragraph: 'Answer the prompts as thoroughly as possible so the content team can capture your brand correctly - our bot will be with you every step of the way to keep the process smooth and easy.' The main content area is titled 'PAYMENT REQUIRED UNLOCK YOUR INTAKE' and includes a message: 'Start your Stripe subscription before accessing the form. Promotion codes are supported, including 100% off codes that can keep the subscription free when configured that way in Stripe.' Below this is a 'Welcome back.' message and a table with account details: Account (solutions@startupvisaservices.com), Status (pending), and Access (Locked until the subscription is active). At the bottom are 'Continue to subscription' and 'Refresh access' buttons.

5. Use the code “CA-PODCAST” to waive the fee.

The screenshot shows a payment page for '2682581 Ontario Corp'. It displays a subscription for 'Marketing Automation Zalvica plan 1' at '\$0.00 per month'. A table shows the plan cost of \$3,000.00, a subtotal of \$3,000.00, and a discount of -\$3,000.00 for the 'CA-PODCAST' code (100% off), resulting in a 'Total due today' of \$0.00. On the right, there are 'Apple Pay' and 'link' buttons. Below them is a 'Contact information' section with an email field and a 'Continue with Link' button. The 'Payment method' section shows 'Card' information: Card number (1234 1234 1234 1234), MM / YY, CVC, Cardholder name (Full name on card), and Country or region (Canada). A 'Subscribe' button is at the bottom. A disclaimer states: 'By subscribing, you authorize 2682581 Ontario Corp to charge you according to the terms until you cancel.' The footer mentions 'Powered by stripe' and links to 'Terms' and 'Privacy'.
